RIDERS' RESPONSE TO JUDGES' COMMENTS

In an effort to improve the informative and educational aspects of judges' communication to riders through comments on the scorecards, please review your cards, either historical or current, and respond to the following. This can be done individually or as a group. Please send your comments to NATRC™ at the address above.

Informative Comments (types of comments) that I like to see on my card, either horse or horsemanship.

Judging Procedures (or lack of) that concern me.
